Our 2025 Homecoming theme is: "Home for the Holidays"

All entries are due **Friday, September 12**. All preschool children must be accompanied by an adult. All elementary children must have a parent's or guardian's signature. **A student representative or myself will contact you with your line up number prior to the parade.** Parade lineup time is 1:30 PM on Friday, September 19. **If you wish to distribute gum, candy, etc., please hand it out- DO NOT THROW IT!** If you have any further questions, contact Mike Cormack at the high school at 641-322-4245 or at mcormack@southwestvalley.org and he will be glad to be in touch with you to help. (Note- 4 wheelers are legal only on the parade route on this day)

In order to maintain a safe atmosphere for the parade on Friday, officials are banning the use of items such as silly string, shaving cream, etc. The Adams County Sheriff's Office will assist in enforcing this.

Thank you for helping keep the Homecoming parade safe and enjoyable for everyone! We had an outstanding parade last year and look forward to welcoming back past participants as well as new entries, too. Parade lineup will be around the play park on Grove Avenue and north and south on Grove Avenue...just look for your parade lineup number. It is awesome you are part of our Timberwolves family for this annual fun tradition! Thanks, Mike.
