Mrs. Mertz - 1st Grade

Dear Parents/Guardians,

We want to be prepared for any other upcoming winter weather. All four buildings in the district will provide virtual learning opportunities for the students if we have a snow day. At Corning Elementary and Enarson Elementary, we are sending home packets of activities from your child's teacher. If school is canceled, your child can work on reviewing skills. Keep this in a safe place in your house until the snow day arrives. If the packet is lost before the snow day and you have access to a printer, go to our website, <https://www.southwestvalley.org>, under Corning or Enarson Elementary, then click the grade level for the packet. We have provided 3 days' worth of activities. Each day is labeled Day 1, Day 2, Day 3. When your child finishes the packet for each day and school resumes, please return it to school.

Thanks for understanding that Mother Nature has a mind of her own.

Sincerely,

Allison Thomas

Corning Elementary Principal
