Title

School courses and extracurricular activities.

Please indicate academic courses (other than general) you have taken. Indicate the grade(s) taken by using the symbols 9, 10, 11, 12. Also list any academic awards or recognition you have received.

Please list the high school extra-curricular activities you have participated in. Also indicate the grade(s) in which you participated and list any leadership positions you may have held.

Which of the above courses or activities have you gained the most from and why?

**Community Service:**

Describe the ways you have contributed to your community by service in organizations and/or certain people in particular. Explain any special circumstances that may have limited your involvement in community service.

**Work Activities:**

If you have been employed during high school please describe the type work and hours involved. Describe any other work activities that you have been involved in and effect work has had on you as an individual.

**Personal Achievement and Attributes:**

What has been your greatest personal achievement?

What are your most valuable characteristics and why?

In your own words please tell us what you feel is essential for you to become a Leader of Tomorrow and how you hope to achieve success through leadership.

Please attach two letters of recommendation from individuals who can attest to you being deserving for consideration for this award.
