

John and Michael Minard Memorial Scholarship

The John & Michael Minard Memorial Scholarship was established by Teresa Minard and her daughter, Lisa Minard Hull.

John Minard graduated from Clarinda High School in 1963 and graduated from Clarinda Community College (now called IWCC) in 1965 with a degree in Mechanical Technology. This degree made it possible for John to enlist with the US Air Force and work on B52's during the Vietnam Conflict. After the service he was offered a job at the Lisle Corporation, starting in the Engineering department, and then becoming the Turret Lathe Foreman. He worked for Lisle Corporation for 41 years.

Michael Minard graduated from IWCC in 1994 with an associate degree. He went on to Iowa State University to attain a degree in Transportation Logistics. He worked for Werner Trucking in Omaha, NE, as an account manager up until his passing in May of 2012.

Both John and Michael commented many times about how they were appreciative of the quality education that they received at IWCC in Clarinda. They also were both thankful that they were able to stay in their community to further their education. This inspired John's grandson, Jacob Hull, to further his education with the CEAM program at IWCC. For these reasons, this scholarship was created, to encourage any Clarinda, South Page, Essex, Shenandoah, Bedford, Southwest Valley, Red Oak, Mount Ayr, Atlantic, East Mills, Sidney, Hamburg, Lenox, Diagonal, Stanton, Griswold, or Riverside (Oakland) High School graduate to enroll in any full-time degree, diploma, and/or certificate program at the IWCC Clarinda campus.
