

Don and Sherryl Williams Memorial Scholarship

This scholarship was established to honor the memory of Don and Sherryl Williams and their commitment to education. Don served on the Villisca school board for many years. While on the board, he also served on the Iowa School Board Association including a term as its president. Sherryl was one of the founders of the Villisca Preschool. They both opened their home to many foster children.

This scholarship is for a student entering a field of study for a profession that will provide a service to society and its members. Examples of this are education, medicine or scientific research, but recipients are not limited to these fields.

We ask that your application include a brief (no more than one page) essay explaining how you believe that your chosen field of study will serve or benefit society and complete the attached application. This application is due in the SWV counselor's office on April 3rd.

The Don and Sherryl Williams Memorial Scholarship pays the recipient \$1000 for the second semester. We ask that the recipient provide us proof of successful completion of the first semester and enrollment in second semester classes. The scholarship will then be paid directly to the student.

A thank you note and proof of successful completion of the first semester and enrollment in second semester classes can be sent to:

Tom Williams

2876 102nd Street

Villisca, IA 50864
