

On be-half of the Montgomery County Pheasants Forever Chapter, I would like to take this opportunity to present the graduating seniors of your school that reside in Montgomery County and plan to attend college or an accredited trade school the opportunity to apply for a \$500 scholarship. Scholarships are made payable to the winning students upon proof of enrollment for their second semester of school. Enclosed with this letter, you will find the general application and essay requirements.

Please note that all essays must be typed or word processed and that no applications will be accepted after April 1, 2022. If you have any questions or concerns, please feel free to call me at any time.

Sincerely,

Michael D. Burke
